### **Statement of Nature, Reasons, and Basis for Filing**

On March 20, 2014, in Docket No. RP14-442-000, the Commission issued its Show Cause Order,<sup>4</sup> which required that all interstate pipelines submit filings to either revise their tariffs to provide for the posting of offers to purchase released capacity or otherwise demonstrate full compliance with the Commission's regulations.<sup>5</sup> On May 12, 2014, Tuscarora submitted a compliance filing in response to the Commission's Show Cause Order to revise its capacity release provisions to provide for the posting of offers to purchase released capacity. By its October 2014 Compliance Order, the Commission accepted tariff records filed by various pipelines to comply with the Show Cause Order, to be effective October 16, 2014, and required Tuscarora, among others, to file revised tariff language, within 30 days of the October 2014 Compliance Order, to revise the length of time an offer to purchase released capacity will be posted so that such offers are posted for no less than 30 days.<sup>6</sup>

To comply with the Commission's directives set forth in the October 2014 Compliance Order, Tuscarora is filing revised Section 6.26.9 to state that offers to purchase released capacity will be posted on Tuscarora's website for no less than 30 days.

---

<sup>4</sup> *Order to Show Cause*, 146 FERC ¶ 61,203 (March 20, 2014) ("Show Cause Order").

<sup>5</sup> Specifically, Section 284.8(d) of the Commission's regulations requires pipelines to provide notice of offers to purchase released capacity and to post the terms and conditions of such offers on their Internet websites for a reasonable period.
